

Palmetto GBA, a Celerian Group company, has administered Federal contracts for more than 50 years. Our 2,400 employees provide expertise for a range of services including financial services. As one of the nation's largest, high-volume claims and transaction processors, we manage billions of dollars every year for the Government. We not only safeguard our customers' interests, but also help improve margins and results.

What is OASIS?

One Acquisition Solution for Integrated Services (OASIS) is a General Services Administration (GSA) Best-in-Class vehicle that provides clients across the Federal Government with easy access to complex professional services. The OASIS program provides access to pre-qualified awardees of two separate contracts: OASIS Unrestricted, and OASIS Small Business (SB). GSA awarded Palmetto GBA the OASIS Unrestricted contract for Pool 2 (Financial Services) in September 2019.

What Are OASIS Benefits?

- Multiple-award, IDIQ contracts available for government-wide use
- Multidisciplinary government-wide contract for professional/integrated services
- Single solution for complex requirements
- Multiple technical areas/mission spaces
- Maximum flexibility for ancillary support
- Highest-rated community of contractors who have undergone rigorous pool qualification to ensure competency

Getting Started with OASIS

1. Delegation of Procurement Authority (DPA) is required to issue an order on OASIS.
2. Determine the OASIS principal-purpose NAICS code of your requirement.
3. Determine if setting aside to small business.
4. Build the solicitation using FAR 16.505 ordering procedures.
5. Issue solicitation under the determined pool.
6. Receive the offers.
7. Evaluate offers and make award.
